CURRICULUM GUIDE  
2023-2024

<u>MONTH</u>	<u>THEME</u>	<u>COLOR/SHAPE</u>	<u>MAIN CONCEPTS</u>
August/Sept	All about me	<b>Red</b> /Circle	Welcome to the new school year! Let's learn all about me and our new friends.
October	Community Heroes/ Fall Time	<b>Orange</b> / Triangle	Our community is full of heroes who help take care of us and our world. As the weather gets cooler, we transition into fall time!
November	Being Thankful/ Harvest Time	<b>Brown</b> /Rectangle	We are thankful for what we have in our lives. Let's come together for a feast with friends and family.
December	Winter Wonderland/ Jesus's Birthday	<b>Green</b> /Star	Christmas- A baby in the manger. Happy Birthday Jesus! Time to cozy up and enjoy the winter festivities.
January	Artic Animals/ Rhyme Time	<b>White</b> /Octagon	The weather is chilly, lets learn about animals who live in the snow. When we rhyme we match the sound, and soon you'll hear them all around!
February	Lots of Love/ Happy and Healthy	<b>Pink</b> /Heart	We show love in different ways, it all comes from the same place, our hearts. It's important to eat healthy and take care of our bodies and keep those germs away.
March	Growing Garden/ We are Egg-cited	<b>Blue</b> /Oval	Like flowers and plants, we too are growing and being nurtured by those who care for us. Easter is right around the corner, here comes peter cotton tail!
April	April Showers/ Spring has Sprung	<b>Yellow</b> /Diamond	Rain-Rain here to stay, keeps us cool and ready to play! Spring time is here, the weather is changing and we are ready!
May	Baby Animals/ I'm Growing!	<b>Purple</b> /Square	Flowers are blooming and the sun is shining. Summertime fun is on its way! Enjoying our last couple weeks with our friends and teachers!
